

# END GAME

## OBSERVE NATIONAL HEALTHCARE DECISIONS DAY...

by viewing a special screening of the Oscar-nominated film, *End Game*, a documentary that focuses on families grappling with disease, death and denial. The film challenges the viewer to reckon with their own mortality and break down barriers between the known and unknown. The film will be followed by a panel discussion.

**Tuesday, April 16, 2019**

**2:00-3:30 PM -or- 7:00-8:30 PM**

Lind Family Funeral and Cremation Services  
1623 10th Ave. E, Alexandria

Free and no registration needed.

HONORING CHOICES | MINNESOTA  
Advance Care Planning

“The earlier people engage in conversations about what matters most to them with the people they love, the more likely it is that they’re going to get care down the road that’s in line with their goals and their values.” - *Dr. Shoshana Ungerleider*
